

IITP CCIP

(Clubs Collaboration and Interaction Platform)

Under Prof. Samrat Mondall, IIT Patna

Aim:-

The main aim of the project was to bring together all the clubs of our college. All academic, cultural, sports clubs are clubbed together in a single platform where admins of clubs can post important information and updates related to that club. Each club will also have a discussion form. It will help freshers to get familiar with all the clubs.

Overview :-

It consists of two sections Users and Admins.

1. USERS:

- a.Login:** Users of the clubs are supposed to login as User.
- b.View Clubs Information:** User can see the information about various clubs even without login into the account.
- c.User's Timeline:** User will see the posts of all following clubs.

- d.Comment:** User can comment on the posts of all following clubs.
- e. Discussion Forum:** User can enter into the Discussion Forum of the following clubs and can share his/her views among all the club members.

2. Admin

- a. **Login:** Admins of the clubs are supposed to login as Admin.
- b. **Add Club:** While signUp as an Admin one has to enter the Club Details like Club Name,Club Photo,Club Description.
- c. **Admin's TimeLine:** Admin will also have a time where he/she can see all posts of his/her and can add new posts as well.
- d. **Add Posts:** Admin can add posts for his/her clubs.
- e. **Add comments:**One can add comments to own posts.
- f. **Discussion Forum:** Admin can enter into the Discussion Forum of the following clubs and can share his/her views among all the club members.
